# SDG for labor statistics

---

- Goal 1. End poverty in all its forms everywhere
- Goal 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all
- Goal 16. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels
- Goal 9. Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation,

# Available SDG indicators for labor statistics

---

- 1.3.1 Proportion of population covered by social protection floors/systems, by sex, distinguishing children, unemployed persons, older persons, persons with disabilities, pregnant women, newborns, workinjury victims and the poor and the vulnerable
- 8.3.1 Proportion of informal employment in non-agriculture employment, by sex
- 8.5.1 Average hourly earnings of female and male employees, by occupation, age and persons with disabilities
- 8.5.2 Unemployment rate, by sex, age and persons with disabilities
- 8.8.1 Frequency rates of fatal and non-fatal occupational injuries, by sex and migrant status
- 8.9.2 Number of jobs in tourism industries as a proportion of total jobs and growth rate of jobs, by sex
- 9.2.2 Manufacturing employment as a proportion of total employment
- 16.7.1 Proportions of positions (by sex, age, persons with disabilities and population groups) in public institutions (national and local legislatures, public service, and judiciary) compared to national distributions

## **SDG Indicators for Labor Statistics will be assembled**

---

- 8.6.1 Proportion of youth (aged 15-24 years) not in education, employment or training
- 8.7.1 Proportion and number of children aged 5-17 years engaged in child labour, by sex and age

# Some main challenges we face

---

- Development of methodology and techniques to compile the Sustainable Development Goal indicators
- Disaggregation of Sustainable Development Goals indicators (*income, sex, age, race, ethnicity, migratory status, disability, geographic location*)
- Capacity building for monitoring and reporting on progress towards the SDG
- Needs to develop some SDG indicators in official statistics

**Thanks for attention!**
